

## **Job Description**

|                         |                                |
|-------------------------|--------------------------------|
| <b>Job Title:</b>       | Senior Technician - Lighting   |
| <b>Hours:</b>           | 40 hours per week              |
| <b>Reports To:</b>      | Technical & Production Manager |
| <b>Responsible For:</b> | Casual Technicians             |

### **Main Purpose**

Theatre Royal Windsor is looking for a motivated and enthusiastic Senior Technician - Lighting as part of the technical department to facilitate the stage lighting and technical effects required by all in-house and visiting productions, LX designers and directors, within the budgetary constraints set by the Technical & Production Manager. To maintain a high level of technical support to all productions and enable the smooth and safe running of department operations. The key elements of the role include:

- Working closely with the other senior technician and under the guidance of the Technical and Production Manager, to achieve the lighting requirements of the Creative team for each production as far as possible, within the parameters of the production budget and Health & Safety considerations.
- To undertake and lead on (where required) Get-ins, Fit-ups, technical rehearsals, performances, and Get-outs as required.
- To act as the duty technician for performances and events, overseeing the smooth running and suitable evacuation and safety procedures as required.
- Working closely with the other Senior Technician and under the guidance of the Technical and Production Manager to be responsible for the safe and tidy storage, installation of stage lighting equipment and cabling.
- Working closely with the other Senior Technician to ensure suitable maintenance, inspection, and record-keeping of all Stagelighting equipment, including PAT testing, liaising with visiting companies, CDM statements, fire, and general upkeep of Stagelighting equipment and consumables as needed.
- Carry out general technical duties as directed and as ability allows.

### **General Information**

Theatre Royal Windsor is an exciting and thriving regional theatre that is the only unsubsidized producing theatre to operate all year round in Britain. The theatre hosts a busy programme of shows and events focusing on drama and musicals, supported with live music comedy and dance. The auditorium seats 633 and the building is grade 2 listed.

Theatre Royal Windsor is operated as part of Bill Kenwright Ltd. One of the largest commercial theatre producers in the UK. The theatre produces and opens a large number of Bill Kenwright touring productions, in addition to its own in-house productions and the annual pantomime.

Theatre Royal Windsor is keen to ensure that we actively engage with all residents and visitors to the area and is developing a new outreach and education programme and more diverse offer at the theatre. The business plan aims to position the theatre as a key cultural hub that aims to meet its vision statement:

“To provide a first-class regional theatre that is recognised nationally, that produces and presents a core programme of drama and theatre for all residents and visitors to the Windsor area. Acting as a key cultural hub, encouraging participation and engagement with performing arts and supporting the development of staff, artists and audiences.”

**Responsibilities Include:**

1. To enforce and encourage good safe working practices within the department to maintain high production values and efficient working.
2. To be familiar with current Health & Safety regulations relevant to the industry and to keep abreast of changes and developments and notify the Technical and Production Manager of any health and safety issues which arise.
3. To ensure that all work undertaken throughout the theatre adheres to the in-house Health & Safety Policy and H&S regulations, with especial regard for loading and unloading equipment (from vehicles), manual handling, use of tools, working at height, electrical safety and use of access equipment. Alongside any other safe working practices within the department.
4. If requested by the Technical and Production Manager, to write and provide risk assessments for the staging of each production and general risk assessments for specific areas of work within the technical department. Including providing and maintaining any other Health & Safety records / paperwork as requested and on the suitable maintenance, inspection, and record-keeping of all LOLER equipment for rigging stage lighting.
5. To assist in the regular upkeep of all backstage and onstage areas, including cleaning and maintenance as required.
6. To undertake and lead on (where required) Get-ins, Fit-ups, technical rehearsals, performances, and Get-outs as required.
7. To act as the duty technician for performances and events, overseeing the smooth running and suitable evacuation and safety procedures as required.
8. To be responsible for the safe and tidy storage and maintenance of stage lighting equipment.
9. Undertake Lx rigging, focusing, wiring of practical's, patching, plotting, desk operation, Followspot operation and general technical duties as required.
10. Work alongside visiting and in-house lighting designers, and freelance production electricians on the pre-production and delivery of new in-house productions and tours as required.
11. To assist in the regular upkeep of all backstage and Front of House areas as instructed, including but not limited to: Fire Alarm testing, lamp rounds and other non-specialist maintenance as required.
12. Any other duties appropriate to the post and under the Equalities Act with due consideration to any employees with a "protected characteristic" and within the framework of equal opportunities.
13. Lead on creating a culture of pride in the workplace by always ensuring clean and well-presented backstage and public spaces within the building.
14. Working with the other Senior Technician you will ensure that all hazards are identified and managed to an acceptable level and ensure all relevant documentation is also completed. You will also ensure you demonstrate your commitment to Health and Safety by leading by example.
