Main Purpose

Theatre Royal Windsor is looking for a motivated and enthusiastic lighting technician as part of the technical department to assist the Head of Lighting to facilitate the stage lighting and technical effects required by all in-house and visiting productions, LX designers and directors, within the budgetary constraints set by the Technical & Production Manager. To maintain a high level of technical support to all productions and enable the smooth and safe running of department operations. The key elements of the role include:

- Under the direction of the Head of Lighting, to achieve the lighting requirements of the Creative team for each production as far as possible, within the parameters of the production budget and Health & Safety considerations.
- To undertake (where required) Get-ins, Fit-ups, technical rehearsals, performances, and Get-outs as required including general stage duties as needed.
- To act as the duty technician for performances and events, overseeing the smooth running and suitable evacuation and safety procedures as required.
- Under the direction of the Head of Lighting and Technical and Production Manager, to be responsible for the safe and tidy storage, installation of stage lighting equipment and cabling.
- Support the Head of Lighting on the suitable maintenance, inspection, and record-keeping of all Stagelighting equipment, including PAT testing, liaising with visiting companies, CDM statements, fire safety protocols and general upkeep of Stagelighting equipment and consumables as needed.
- Carry out general technical duties as directed and as ability allows.

General Information

Theatre Royal Windsor is an exciting and thriving regional theatre that is the only unsubsidized producing theatre to operate all year round in Britain. The theatre hosts a busy programme of shows and events focusing on drama and musicals, supported with live music comedy and dance. The auditorium seats 633 and the building is grade 2 listed.

Theatre Royal Windsor is operated as part of Bill Kenwright Ltd. One of the largest commercial theatre producers in the UK. The theatre produces and opens many Bill Kenwright touring productions, in addition to its own in-house productions and the annual pantomime. Most recently this has included our annual in-house season of Hamlet & The Cherry Orchard starring Sir Ian McKellen.

Theatre Royal Windsor is keen to ensure that we actively engage with all residents and visitors to the area and is developing a new outreach and education programme and more diverse offer at the theatre.

The business plan aims to position the theatre as a key cultural hub that aims to meet its vision statement:

“To provide a first-class regional theatre that is recognised nationally, that produces and presents a core programme of drama and theatre for all residents and visitors to the Windsor area. Acting as a key cultural hub, encouraging participation and engagement with performing arts and supporting the development of staff, artists and audiences.”

Responsibilities Include:

1. To engage in good safe working practices within the department to maintain high production values and efficient working.
2. To be familiar with current Health & Safety regulations relevant to the industry and to keep abreast of changes and developments.
3. To ensure that all work undertaken throughout the theatre adheres to the in-house Health & Safety Policy and H&S regulations, with especial regard for loading and unloading equipment (from vehicles), Manual handling, use of tools, Hot Works, working at height, electrical safety and use of access equipment.
4. To notify the technical and production manager of any Health & Safety issues which arise.
5. To assist in the regular upkeep of all backstage and onstage areas, including cleaning and maintenance as needed.
6. To undertake (where required) Get-ins, Fit-ups, technical rehearsals, performances, and Get-outs as required.
7. To act as the duty technician for performances and events, overseeing the smooth running and suitable evacuation and safety procedures as required.
8. Under the direction of the Head of Lighting, to be responsible for the safe and tidy storage and maintenance of stage lighting equipment.
9. Undertake Lx rigging, focusing, wiring of practical's, patching, plotting, desk operation, Followspot operation and general technical duties as required.
10. Work alongside visiting and in-house lighting designers and freelance production electricians on the pre-production and delivery of new in-house productions and tours as required.
11. To assist in the regular upkeep of all backstage and Front of House areas as instructed, including but not limited to: Fire Alarm testing, lamp rounds and other non-specialist maintenance as required.
12. Any other duties appropriate to the post and under the Equalities Act with due consideration to any employees with a "protected characteristic" and within the framework of equal opportunities.
13. Lead on creating a culture of pride in the workplace by ensuring clean and well-resented backstage and public spaces within the building at all times.
14. To ensure you demonstrate you are committed to Health and Safety by leading by example.
